

LEAD WITH PURPOSE

The Master in Management at Audencia Business School is one of France's elite Grande École programmes, recognised worldwide for quality. As a student, you benefit from our reputation, network and forward-thinking training. You'll develop multiple areas of expertise and be strong in the fundamentals of international management. You'll have diverse and immersive work experiences.

- Choose between a wide range of specialisations in English or French
- Gain 4 to 18 months of in-company experience – you decide the duration
- Consider an optional double degree in supply chain and purchasing management
- Learn from top-performing faculty with expertise in accounting, marketing, finance, statistics, logistics, project management, languages and more
- Enjoy comprehensive career services from a team of professionals with backgrounds in the international corporate world

CAREER SERVICES

Our career services department works alongside Audencia Alumni association to maximise the opportunities available to students and alumni:

- 15,000+ employment opportunities posted each year on our dedicated jobs board
- Employment fairs with 120+ companies
- Counselling workshops on recruitment and meetings between students and companies throughout the year
- Career advice services in Nantes and Paris staffed by HR professionals
- 29 Professional Chapters worldwide (New York, Shanghai, London...) to provide information about international job opportunities

ADMISSIONS

To apply, you have two options (choose only one):

- 1) Apply directly through Audencia and complete your online application at www.apply.audencia.com.
- 2) Apply through SAI (Services des Admissions Internationales) to five French business schools. Your final placement is determined by SAI; if you select this method, you cannot choose which of the five schools you will attend. Visit www.sai.cci-paris-idf.fr for more information.

Published Sept. 2016. All information in this brochure is non-contractual and is subject to change without prior notice.
